

# Bible Reading Guide

This plan is to read about 20 verses 4 days each week.

If you get off track, don't give up, just keep going.

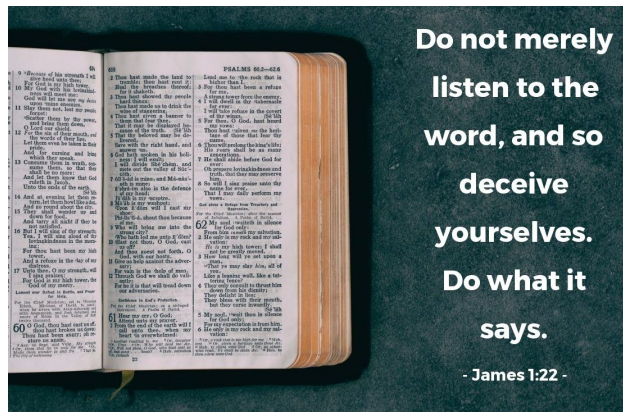

Follow a simple bible study outline. **BOOK LOOK TOOK**

**BOOK** asks What does it say? (read it)

**LOOK** asks What does it mean? (bible gateway is a good source or ask either pastor or a friend if you are unsure of what something means. Also, hint - look at the context)

**TOOK** asks what does it mean to me? (what is one thing you learn from the passage that affects your life)

Keep a notebook all year with one takeaway (or more) from that day's reading. It

will be a great reminder to look back at the end of the year at all the things you have learned. Share your bible reading experience with
