

Sunday, June 7 At Home Bible Study Guide

A time to be thankful – in the midst of a bizarre time, let's not forget to be thankful. Take a few minutes to share what you're thankful for right now.

The next two weeks will be in Hebrews 11 to be a companion for further study alongside Pastor Dave's message series.

What is one takeaway from Pastor Dave's message today?

Read Hebrews 11:23-40 and as you read it, think of one word that sticks out to you.

What word stuck out to you as you read today's passage?

Now let's dive a little deeper into our chapter. I will share a few things and questions that stuck out to me from our passage but please don't get stuck on just these questions. If other thoughts and questions stick out to you, discuss those as well. The goal is simply for us to learn from God's Word this morning and grow together, even while apart.

- As you read this passage, what are some of the ways this people showed faith and trust in God? What are some of the things that had to give up in order to follow God? What did God do in and through them due to their faithful obedience?
- Vs 24-26 is probably my favorite verses in this chapter. There are a few descriptions of what Moses is choosing over other things. What is Moses choosing and what is he choosing that over?
 - o What are the pleasures of sin and why are the pleasures of sin only for a short time?
- In this chapter of ordinary people who did great things through faith, who jumps out at you the most? Who do you relate to? Who really challenges you?

- Think about your life right now, fill in the blank with a statement that you need to make – Because I believe God, I will _____
- Verse 40 says God had planned something better for us. How have you seen that work out in your life?
- Read Hebrews 12:1-3 and in light of what we read about these faithful people in chapter 11, what does chapter 12 tell us to do?
- What other things, verses, words are you thinking about from Hebrews 11:23-40 other than what has already been discussed?
- Close your time in prayer
- CHALLENGE: Text or call at least 2 people (go for as many you want) this afternoon sometime and share with them one thing that you learned from our study or worship service today. If you have social media, consider putting what you learned on there, as well.
